OUR HISTORY

National Council of Jewish Women St. Louis is a volunteer-driven organization of more than 5,000 members and supporters throughout Missouri, committed to improving the quality of life for women, children and families and safeguarding individual rights and freedoms.

For over 122 years, NCJW STL has identified unmet needs in the St. Louis community and developed innovative, hands-on projects that have positively affected thousands of lives, as well as being involved in advocacy on the local, state and national levels of government. Local NCJW STL activities are made possible by individual donations, community partnerships, corporate and foundation grants, and proceeds from TheResaleShop.

THANK YOU...

...To our donors and leadership. Our Executive Team, Board of Directors, supporters and donors are the backbone of our organization. Financial support and leadership are crucial to our volunteer-based organization. Blending our Jewish values with our commitment to improving the community and achieving our mission keeps us thriving.

...To our staff for all of your continued dedication.

... To our committee chairs and many volunteers. The dedication and talents of our NCJW members and friends is extraordinary.

... To our community partners. Our collaborations within the St. Louis community, and beyond, make us and our entire community stronger, and broaden our ability to serve more people in our community.
