Urge #MOLeg to Protect and Expand Access to Birth Control

As Missouri legislators gaveled in for the 2023 regular legislative session today, we know access to birth control is more vulnerable than ever and "[anything's on the table](#)" when it comes to limiting access. But we also know Missourians across the political spectrum strongly support greater access to birth control and want policy solutions that increase health equity and access to healthcare.

Missourians want our state legislature to increase access to birth control, not restrict it. So we're asking our elected officials to pass the following legislation:

1. Annual-Supply Birth Control;
2. Pharmacist-Dispensing of Birth Control; and
3. The Compassionate Assistance for Rape Emergencies (CARE) Act.

When signed into law, these policies will significantly increase access to contraception, improving health equity and reproductive health outcomes.

Please [click here](#) to urge our lawmakers not just to protect, but to **expand** access to contraception now.

THIS WEEK! January Lunch and Learn - Shopping Ethically with David Cook

Thursday, January 19, 2023
12:00 PM - 1:00 PM CT

David Cook

When: Thursday, January 19 | 12:00 – 1:00 PM CT
Where: Zoom

Ethical shopping has been a rising topic for some time now. The phrase “vote with your dollars” has even become a common rallying cry for making ethical decisions with daily purchases. However, as ethical shopping is a broad and sometimes complex topic, it can be difficult to know where to get started.

Fortunately, making ethical purchases is well worth the benefits it can bring to your local community and the world at large (like when you shop at [NCJWSTL's ReSale Shop!](#)). Plus, some methods of ethical shopping can be easily added to your normal shopping routine. For our January Lunch and Learn, we are thrilled to welcome David Cook to help us navigate this landscape

David Cook serves as President for U.F.C.W. Local 655. David joined Local 655 in 1977 as a courtesy clerk for Kroger. In 1987, he began his career with Local 655 in the Organizing Department and has worked as a service representative prior to his current position. In addition to his duties with the Local, he is also a delegate to the Greater St. Louis Labor Council, trustee for the UFCW Local 655 Pension Fund and UFCW Local 655 Health and Welfare Fund.

THIS SUNDAY! Abortion Stories: Honoring the 50th Anniversary of Roe v. Wade and the Work that Continues

When: Sunday, January 22 | 2:00 PM – 4:00 PM CT

Where: Congregation Shaare Emeth | 11645 Ladue Road | St. Louis, MO 63141

[RSVP Here](#)

All too often, discussions in this country regarding abortion do not involve the most important voices: the voices of those who have experienced abortion. The Focus on Abortion exhibit seeks to correct this omission by giving a platform to these voices that span every geographic area, generation, and socioeconomic background. Sharing these complex and nuanced stories has the potential to mitigate the profound stigma that surrounds abortion in the United States.

NCJWSTL and Congregation Shaare Emeth are thrilled to cosponsor a joint exhibit and program to honor the anniversary of *Roe v. Wade* this month. The program will include time to browse the exhibit, a panel discussion featuring speakers sharing their own abortion stories from the pre-, during and post-Roe eras, and light refreshments.

The event is free of charge, but you must register to attend by [clicking here](#). If you aren't able to attend the program, you can still view the exhibit at Congregation Shaare Emeth January 10-29. For more information about the exhibit, please email Debbie

Interesting Reading

Yes, it's great that we have three more women governors now, a new record. And that an additional two seats in Congress will be held by women, which is welcome news.

But when you look at those numbers more closely, the picture isn't quite so bright: Women are still nowhere near where we deserve to be.
