

ADVOCACY IN ACTION

ADVOCATING CHANGE = ADVANCING LIVES

Join us to Help Those Impacted by the Recent Tornado

The recent devastating tornado impacted families in some of the most vulnerable areas of our community. The St. Louis Public School District was heavily affected; several school buildings have been closed due to damage and many families have been displaced or are living without electricity and other basic needs for the next several weeks.

Many of our members and partners have reached out to ask how they can support the victims of this tragedy. **NCJWSTL is joining with SLPS Foundation** to distribute items directly to those most in need.

Please join us in collecting supplies for students and families. There are three simple ways that you can contribute:

1. **Drop off donations during business hours**, Monday - Thursday 8:00 AM - 4:00 PM and Friday 8:00 AM - 2:00 PM. **The office will be closed on Monday, June 2, for Shavuot.**
2. **Choose from our [Amazon Wish List](#)** and have them shipped to the NCJWSTL office at **295 N. Lindbergh Blvd., St. Louis, MO 63141.**
3. **Contribute a [monetary donation online](#)** or by mailing a check.

The most needed items include: batteries (AA and AAA), trash bags, period products, brooms, air mattresses, toilet paper, paper towels, deodorant, wet wipes, shampoo/conditioner, phone chargers/charging blocks, laundry detergent, manual can openers, toothbrushes and toothpaste, soap and towels.

If you have questions, please reach out to Renée Sigel-Hearst, Director of Community Impact, at rsigel-hearst@ncjwstl.org. Thank you!

Pledge To Help Stop The Abortion Ban

NCJW
ACTION
ALERT

Last November, over 1.5 million Missourians voted to end Missouri's abortion ban. Despite the votes of a majority of Missourians, anti-abortion politicians in the state legislature passed HJR 73, designed to gut Amendment 3.

Now is the time to come together to protect the right to abortion and reproductive freedom

that we just voted for. Missourians are coming together to defeat the Missouri Legislature's proposed ban on abortion at the ballot box.

Every one of us has a responsibility to show up to defend our win and protect abortion rights and reproductive freedom. What we do in the coming weeks and months will be critical to our future. Join us!

Tell Congress to Support the Black Maternal Health Momnibus Act

Our country is experiencing a maternal and reproductive health care crisis. Despite being the richest country in the world, the US has the highest maternal mortality rate among developed nations. More than 80% of pregnancy-related deaths are preventable, and tragically, Black mothers die of pregnancy complications at nearly three times the rate of white mothers.

[The Black Maternal Health Momnibus Act](#) is a package of 13 bills that seeks to comprehensively address the maternal health crisis. Because Black women are more likely to experience complications, receive inadequate care, and face systemic barriers to reproductive health due to structural and medical racism, the Momnibus works within and beyond the health care system to make birthing safer for people of color. Bills include investments in nutrition, transportation, and housing programs; expansion and diversification of the perinatal workforce; improvements to data collection processes; and support for community-based organizations.

ADD YOUR NAME and Help Us Oppose Censorship of Our Public Libraries

Protect Missouri's Libraries! Join the Right to Read Coalition by [clicking here](#).

For those who have already joined, thank you! Check our member list to see who supports us...and if you've already joined by [clicking here](#).

Right to Read is a statewide coalition of 1,000 individuals and nearly 100 organizations. The coalition opposes legislative, state policy, or other efforts to restrict access to materials at public and school libraries.

Censorship denies our First Amendment rights to access books that reflect our diverse community:

- Missouri ranked third nationally in 2023 for the number of books banned at school libraries.
- 60% of banned books in the U.S. include characters of color and discussed issues of race and racism or presented LGBTQ+ characters or themes.

Laws and policies enacted recently have led to book bans and harmful regulations on our libraries. **We expect more censorship efforts in Missouri in 2025.**

Add your voice to thousands of Missourians to fight censorship and book bans!

Get FREE Emergency Contraception at NCJWSTL!

NCJWSTL is thrilled to announce that we have partnered with the [Missouri Family Health Council](#) (MFHC) to distribute **FREE emergency contraception kits!** This effort is vitally important in the wake of last year's Supreme Court decision overturning Roe vs. Wade, especially in states like Missouri where abortion is illegal. Everyone should have the right to determine when and if they wish to start a family, and emergency contraception is vital in preventing unwanted pregnancies.

Also known as the morning-after pill, or by the brand name Plan B, the emergency contraception pill is an over-the-counter form of birth control that can be taken up to five days after unprotected sex to avoid pregnancy. The goal of this effort is to reduce geographic and financial barriers Missourians face in accessing emergency contraception pills.

While supplies last, MFHC, NCJWSTL, and other partner organizations are offering free EC kits to anyone of any age. **Feel free to stop by the NCJWSTL office to pick up your kit - for you or a loved one.**

If you have any questions, please contact Jen Bernstein at jbernstein@ncjwstl.org. You can also order an emergency contraception kit by mail by [clicking here](#).
