Volunteers Needed to Help Keep Abortion Legal in MO

VOLUNTEERS NEEDED

As we persevere in our commitment to protect abortion rights in Missouri, we are looking for volunteers to work the polls, knock doors, educate our communities, and notarize absentee ballots.

We're beginning to organize around a critical issue: **protecting abortion rights in Missouri**. You may have heard that the Missouri Legislature is bringing abortion rights back to the ballot under the same name, **Amendment 3**. We anticipate a strong misinformation campaign from the opposition and we need to be strategic in order to fight it. Although the new measure likely won't appear on the ballot until August or November 2026, **now is the time to act**.

We are looking for volunteers to work the polls, knock doors, educate our communities, and notarize absentee ballots. If you're interested in getting involved, please **click here** to sign up. **It's going to take all of us.**

For any questions, please contact Jen Bernstein at **jbernstein@ncjwstl.org**.

TOMORROW! A Moral Response to an Immoral Budget: Virtual Jewish Day of Action

When: Tuesday, August 5

Where: Zoom

[RSVP Here](#)

While members of Congress are home for August recess, we'll show up strong as a Jewish community to thank those who stood with us during the recent budget fight, express our deep disappointment to those who didn't, and urge all lawmakers to show us they care about women, children, and families by using the funding process when they get back to Washington to make serious investments in our communities. As the budget law is enacted, we will not stand by while millions of people go hungry or without health care.

We are proud to sponsor this Jewish Day of Action with MAZON: A Jewish Response to Hunger and Network of Jewish Human Service Agencies. *We will share a toolkit, information about scheduling in-district meetings, and more soon!*

ADD YOUR NAME and Help Us Oppose Censorship of Our Public Libraries

Protect Missouri's Libraries! Join the Right to Read Coalition by **[clicking here](#)**.

For those who have already joined, thank you! *Check our member list to see who supports us...and if you've already joined by **[clicking here](#)**.*

Right to Read is a statewide coalition of 1,000 individuals and nearly 100 organizations. The coalition opposes legislative, state policy, or other efforts to restrict access

to materials at public and school libraries.

Censorship denies our First Amendment rights to access books that reflect our diverse community:

- Missouri ranked third nationally in 2023 for the number of books banned at school libraries.
- 60% of banned books in the U.S. include characters of color and discussed issues of race and racism or presented LGBTQ+ characters or themes.

Laws and policies enacted recently have led to book bans and harmful regulations on our libraries. **We expect more censorship efforts in Missouri in 2025.**

Add your voice to thousands of Missourians to fight censorship and book bans!

Please [click here](#) to add your name as an individual member of the coalition. For more information, please e-mail the coalition at righttoreadcoalition@gmail.com.

Get FREE Emergency Contraception at NCJWSTL!

NCJWSTL is thrilled to announce that we have partnered with the [Missouri Family Health Council](#) (MFHC) to distribute **FREE emergency contraception kits!** This effort is vitally important in the wake of last year's Supreme Court decision overturning Roe vs. Wade, especially in states like Missouri where abortion is illegal. Everyone should have the right to determine when and if they wish to start a family, and emergency contraception is vital in preventing unwanted pregnancies.

Also known as the morning-after pill, or by the brand name Plan B, the emergency contraception pill is an over-the-counter form of birth control that can be taken up to five days after unprotected sex to avoid pregnancy. The goal of this effort is to reduce geographic and financial barriers Missourians face in accessing emergency contraception pills.

While supplies last, MFHC, NCJWSTL, and other partner organizations are offering free EC kits to anyone of any age. **Feel free to stop by the NCJWSTL office to pick up your kit - for you or a loved one.**

If you have any questions, please contact Jen Bernstein at jbernstein@ncjwstl.org. You can also order an emergency contraception kit by mail by [clicking here](#).

Interesting Reading

The possibility of a “whites-only” organization from Arkansas expanding into Missouri has inspired bipartisan outrage from state lawmakers and local officials who decry the group as racist and antisemitic.

The private membership association, called Return to the Land, owns 160 acres in northeast Arkansas, according to its website. Jews and non-whites are explicitly banned from membership.

The group’s leader recently said it is exploring the idea of expanding north and building a new enclave in the Springfield area.
