Did you know that April is Stress Awareness Month? It's a meaningful time to pause, reflect, and consider how we care for ourselves in the midst of busy, demanding lives. Join us on Zoom with JFS Chaplain Leora Balinsky for a thoughtful and engaging conversation exploring Jewish teachings on stress, the pressure to do it all, and the often unrealistic pursuit of perfection.

Leora will also reflect on her unique role within the Jewish community and how we can come together to be stronger, more effective advocates. **While grounded in Jewish teachings, these insights are universal and all are welcome!**

**Tell Secretary of State Hoskins to Certify the Referendum to Stop
Unconstitutional Redistricting**

Preliminary data from Missouri Secretary of State Hoskins' office confirms that a sufficient number of signatures (more than 305,000) were collected, in every required congressional district, to put the People Not Politicians anti-gerrymandering referendum on the November 2026 ballot.

Now that the People Not Politicians referendum has enough verified signatures, it's time for Hoskins to do his job and certify the referendum for the November ballot. Hoskins is trying to find ways to delay the certification. But his delays aren't protocol, he's playing a political game.

Missouri voters should have the final say on politicians' gerrymandered congressional district map whether Hoskins likes it or not.

Volunteers Needed to Help Keep Abortion Legal in MO

**VOLUNTEERS
NEEDED**

As we persevere in our commitment to protect abortion rights in Missouri, we are looking for volunteers to work the polls, knock doors, educate our communities, and notarize absentee ballots.

We're beginning to organize around a critical issue: **protecting abortion rights in Missouri**. You may have heard that the Missouri Legislature is bringing abortion rights back to the ballot under the same name, **Amendment 3**. We anticipate a strong misinformation campaign from the opposition, and we need to be strategic in order to fight it. Although the new measure likely won't appear on the ballot until August or November 2026, [now is the time to act](#).

We are looking for volunteers to work the polls, knock on doors, educate our communities, and notarize absentee ballots. If you're interested in getting involved, please [click here](#) to sign up. **It's going to take all of us.**

For any questions, please contact Jen Bernstein at jbernstein@ncjwstl.org.

Get FREE Emergency Contraception at NCJWSTL!

NCJWSTL is thrilled to announce that we have partnered with [Beacon Reproductive Health Network](#) to distribute **FREE emergency contraception kits!** This effort is vitally important in the wake of last year's Supreme Court decision overturning Roe vs. Wade, especially in states like Missouri where abortion is illegal. Everyone should have the right to determine when and if they wish to start a family, and emergency contraception is vital in preventing unwanted pregnancies.

Also known as the morning-after pill, or by the brand name Plan B, the emergency contraception pill is an over-the-counter form

of birth control that can be taken up to five days after unprotected sex to avoid pregnancy. The goal of this effort is to reduce geographic and financial barriers Missourians face in accessing emergency contraception pills.

While supplies last, Beacon Reproductive Health Network, NCJWSTL, and other partner organizations are offering free EC kits to anyone of any age. **Feel free to stop by the NCJWSTL office to pick up your kit - for you or a loved one.**

If you have any questions, please contact Jen Bernstein at jbernstein@ncjwstl.org.

The Missouri Supreme Court handed down three rulings last Tuesday that could shape the 2026 election, saying lawmakers had the authority to pass a new congressional map last year, leaving intact the state's photo-ID requirement for voters and striking down limits on voter-registration and absentee-ballot outreach.
