MESSAGE FROM THE PRESIDENT SPRING 2026

Over 133 years ago, a group of women in St. Louis joined with the National Council of Jewish Women to lend a voice to important issues of the day. In 2026, we continue to advocate for women, children, and families. Our section was recognized by NCJW for our work to advance Amendment 3, ensuring Missourians access to a full range of reproductive care. In clear opposition to the people's will, the MO legislature has introduced a ballot measure to remove that access. Our campaign, **Stop the Ban-Vote NO on 3**, will work to preserve the rights we fought to obtain. Our volunteers will staff polling places, help notarize absentee ballots, and provide education.

In a landmark move, NCJWSTL purchased 311 N. Lindbergh in 2024 and began a \$5.4 million Capital Campaign to fund the purchase and construction of new offices and Resale Shop. In October 2025, we moved into our new offices, which allow for concurrent meetings and the expansion of community impact programs. We are now in the final phase of our campaign, and are so grateful for all who have donated! Learn more and give today at ncjwstlgrows.org.

If all of the above seems like we have been busy, there's more!

- BTSS will again serve over 2100 children.
- Kids Community Closet has grown to 34 closets serving 15,000+ children.
- The Resale Shop team is planning a fall Grand Opening of the new, larger space with almost 100 more parking spaces.
- Wife Widow Woman program is celebrating 50 years! Due to an anonymous grant, we are now offering programming for 1,000+ alumni, as well as current participants. Over 70 women gathered for our inaugural alumni outreach program held in our community room in February.
- Our newest advocacy initiative, Court Watch, has launched.
- Our membership and leadership programs have grown tremendously. Art Interest is now running two sessions to accommodate more attendees; History Focus has received rave reviews. Coffee Talk, Celebrating Women, Trivia Night, and EmpowHER continue to provide great value!

I invite you to join any of these programs or to volunteer for our advocacy work. The success of NCJWSTL's vital work depends upon the dedication of our volunteers. THANK YOU for your time and commitment! If you have any other questions, please feel free to reach out.

COURT WATCH

Powered by National Council
of Jewish Women St. Louis

NCJWSTL IS NOW COORDINATING DOMESTIC VIOLENCE (DV) COURT WATCH.

DV Court Watch volunteers play a vital role in supporting survivors of abuse and promoting fairness and accountability in the St. Louis City Family Court.

Volunteer courtroom monitors are trained to observe domestic violence and order of protection dockets, collecting data on judicial procedures and case outcomes. An annual data report is shared with judicial staff to help strengthen court practices and suggest improvements.

Interested in making a meaningful impact as a Court Watch volunteer monitor?
Contact Rachel Bray, Advocacy Manager, at rbray@ncjwstl.org.

MOCADSV ADVOCACY DAY

NCJWSTL's Rachel Bray and Jen Bernstein recently attended MOCADSV Advocacy Day, meeting with Missouri legislators regarding priority bills, including funding for crime victims, allowing divorce while pregnant, and restoring domestic violence funding for the Department of Social Services.

EmpowHER

EmpowHER 2026 is a free, three-part leadership series designed to inspire, connect, and equip women with the skills and confidence to lead with purpose. Hosted by NCJWSTL and chaired by Mary Murawski and Lisa Oxenhandler, this dynamic series brings women together to learn from expert speakers, engage in meaningful conversation, and walk away with practical tools they can use right away. The January event had a wonderful turnout, as we learned about resilience from Kara Friedman, LPC. Watch for details and registration for our upcoming events on **Wednesday, May 6** and **Wednesday, November 4, 2026**.

NCJWSTL BACK TO SCHOOL! STORE

Planning for the 2026 Back To School! Store is Underway!

Following a very successful 25th Anniversary event last year, we are excitedly preparing to serve thousands of children in our community. We are currently doing our outreach to the many agencies/churches/synagogues/nonprofits that bring students to the store each year. It's not too late to add additional partners; if you know of a group that needs our assistance, please contact Renée.

Volunteer recruitment will begin in late May/early June. Watch your emails for the link to sign up to set up, work the store, and to break it down at the end. We need **you** to make sure that the children we serve have the most amazing experience - our volunteers are the key to making that happen.

Mark your calendar for our 2026 Back To School! Store, scheduled for Sunday, August 2nd. If you have questions, please contact Renée Sigel-Hearst, Director of Community Impact at rsigel-hearst@ncjwstl.org or 314.993.5181.

NCJWSTL **KIDSCOMMUNITYCLOSET**

NCJWSTL's Kids Community Closet (KCC) has continued to meet the needs of students in our community through our 30 closets (serving 34 schools). Throughout August and September, we distributed uniform pants and shirts, regular pants and shirts, underwear, socks, belts, and personal hygiene items. As the cold weather approached in November, our liaisons delivered coats, along with hats and gloves, to our partner schools. Throughout the year, we supply our partner schools with items they request. Our liaisons serve a vital role, delivering items requested and helping to put items away and keep the closets organized. Thank you to our co-chairs, Diane Fadem and Julie Hundman, along with our 50+ KCC volunteer liaisons, who take care of their closets all school year long.

We are so excited to be operating this program out of the KCC Room at our new building. This space allows us to make more merchandise available to volunteers and staff to deliver to schools on a timely basis.

(Photo credit: Rachel Lippmann, St. Louis Public Radio) Cathy Smith, NCJWSTL Community Impact Associate, surveys items for the Kids Community Closet at our new building. Before the move, many of the items had to be stored offsite.

HEALING HEARTS BANK **WE NEED YOU!**

We are constantly looking for new agencies to become Healing Hearts Bank partners. We also need more HHB volunteer bankers and supporters, as our program expands. No prior knowledge is needed for this rewarding experience. The flexible time commitment is about one hour per month, with a one-hour training, in which you'll learn how to review loan applications and support borrowers.

We have restructured the program this year, and we are doing a lot more outreach into the community to find new partners. Our new program chair is Mary Kutheis, and she is joined by Suzanne Gellman as our Team Leader Vice Chair and Gay Lipman as our Community Outreach Vice Chair. We have three team leaders who work with our 13 volunteer bankers to manage 3-5 agencies and all the loans that come in from those groups. We currently work with 12 agency partners who refer clients to us for loans. And, we're so excited to have Cathy Smith as our staff partner for credit reporting and maintaining all the data - she is amazing!

The Jean Stein Bloch Wife Widow Woman program helps women create strong bonds with others after losing their life partners. Groups continue to meet on a regular basis, with new groups forming every few months.

In 2026, we are excited to mark the 50th Anniversary of this program. Please mark your calendars for the Jean Stein Bloch Wife Widow Women program's 50th anniversary celebration on June 14th at the Frontenac Hilton. We will honor 50 years of providing support, friendship, and lasting community for women who have lost their life partners. Keep an eye out for more details on this event. We'd love to have you join us to celebrate this amazing program. Chaired by Eleanor Zimring and Peggy Cohen Voss, this event promises to be filled with fun, friendship, and reflection on a program that has positively impacted so many people.
