Volunteers Needed to Help Keep Abortion Legal in MO

We're beginning to organize around a critical issue: **protecting abortion rights in Missouri**. You may have heard that the Missouri Legislature is bringing abortion rights back to the ballot under the same name, **Amendment 3**. We anticipate a strong misinformation campaign from the opposition, and we need to be strategic in order to fight it. Although the new measure likely won't appear on the ballot until August or November 2026, **now is the time to act**.

We are looking for volunteers to work the polls, knock on doors, educate our communities, and notarize absentee ballots. If you're interested in getting involved, please [click here](#) to sign up. **It's going to take all of us.**

Get FREE Emergency Contraception at NCJWSTL!

NCJWSTL is thrilled to announce that we have partnered with [Beacon Reproductive Health Network](#) to distribute **FREE emergency contraception kits!** This effort is vitally important in the wake of last year's Supreme Court decision overturning *Roe vs. Wade*, especially in states like Missouri where abortion is illegal. Everyone should have the right to determine when and if they wish to start a family, and emergency contraception is vital in preventing unwanted pregnancies.

Also known as the morning-after pill, or by the brand name Plan B, the emergency contraception pill is an over-the-counter form of birth control that can be taken up to five days after unprotected sex to avoid pregnancy. The goal of this effort is to reduce geographic and financial barriers Missourians face in accessing emergency contraception pills.

While supplies last, Beacon Reproductive Health Network, NCJWSTL, and other partner organizations are offering free EC kits to anyone of any age. **Feel free to stop by the NCJWSTL office to pick up your kit - for you or a loved one.**

If you have any questions, please contact Jen Bernstein at jbernstein@ncjwstl.org.
