The 2027 Missouri Legislative Session is right around the corner, and there's a lot to talk about. Join NCJWSTL and Women's Voices Raised for Social Justice for a preview of what's ahead in Jefferson City.

Mallory Rusch, Executive Director of Empower Missouri and Amy Hammerman, NCJWSTL State Policy Advocate will discuss the bills likely to make headlines, the issues that could affect our communities, and how you can make their voices heard when it matters most.

This is your chance to get a jump on the session before it begins and leave with a better sense of what's at stake and how you can get involved. Whether you're a longtime policy watcher or new to legislative advocacy, you'll come away informed, energized, and ready to take action.

Light refreshments will be served, and plenty of time will be set aside for questions and conversation with Mallory and Amy.

Save the Date - Repro Shabbat 2027!

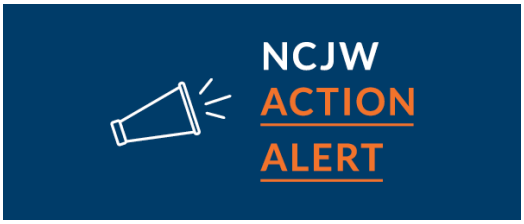

Mark your calendars! National Council of Jewish Women invites you to join our annual Shabbat celebration honoring the Jewish value of reproductive freedom on February 5th and 6th, 2027.

Repro Shabbat is an annual Shabbat celebration that honors the Jewish value of reproductive freedom. It takes place annually on *Parshat Mishpatim*, which contains the verses commonly referenced as the foundation of Judaism's approach to reproductive health, rights, and justice. Individuals and communities across the world gather to celebrate Repro Shabbat and the Jewish traditions it honors. Participation can take many forms, from a private study or hosting a Shabbat dinner to participating in a communal event. However you choose to celebrate, we have resources to support you.

Tell Congress: Voters Demand Change

Voters sent a clear message at the ballot box: it's time to reform a system that has become increasingly disconnected from the public it serves.

Now, we're demanding Congress deliver a down payment on transformational change to strengthen our rights and democracy. Specifically, we're urging Congress in the first two weeks to:

- **Undo the drastic Medicaid cuts** that threatened access to health care for millions of seniors, disabled people, and low-income people;
- **Rein in ICE violence**, its blatant racial profiling, deadly detention sites and deportation flights to danger and death;
- **End partisan gerrymandering** and ban mid-decade redistricting so voters are able to hold politicians accountable and choose their leaders – not the other way around.

The election demonstrated a strong demand for a government that is transparent, accountable, and responsive to the people it serves.

*Please **click here** to* tell *Congress to prioritize fixing Medicaid, reining in ICE, and unrigging our democracy in their first two weeks.*

Get FREE Emergency Contraception at NCJWSTL!

NCJWSTL is thrilled to announce that we have partnered with **Beacon Reproductive Health Network** to distribute **FREE emergency contraception kits**! This effort is vitally important in the wake of last year's Supreme Court decision overturning Roe vs. Wade, especially in states like Missouri where abortion is illegal. Everyone should have the right to determine when and if they wish to start a family, and emergency contraception is vital in preventing unwanted pregnancies.

Also known as the morning-after pill, or by the brand name Plan B, the emergency contraception pill is an over-the-counter form of birth control that can be taken up to five days after unprotected sex to avoid pregnancy. The goal of this effort is to reduce geographic and financial barriers Missourians face in accessing emergency contraception pills.

While supplies last, Beacon Reproductive Health Network, NCJWSTL, and other partner organizations are offering free EC kits to anyone of any age. **Feel free to stop by the NCJWSTL office to pick up your kit - for you or a loved one.**

*If you have any questions, please contact Jen Bernstein at **jbernstein@ncjwstl.org**.*
